## BEACH ENCLAVE LONG BAY 4

LONG BAY, TURKS AND CAICOS

Beach Enclave Long Bay 4 is a stunning custom-designed luxury beachfront villa perched along Turks and Caicos' most revered shores. Ethereal white sand beaches and boundless turquoise vistas are enclosed by lush rainforest enclosing a paradisaical retreat. A wonderful retreat awaits conducive to the most rejuvenating elite getaways, with tantalizing local cuisine beckoning guests amongst an exceptional roster of nearby fine dining.

This lavish estate presents a bold vision of the contemporary beach house. Sleek lines and crisp vertices sculpt voluminous common areas, bathed in natural light and embraced by immersive floor-to-ceiling glass. Beach Enclave Long Bay 4 effectively blurs the line between outdoor and indoor living, complete with a seamless floor plan and an open living space. Crisp whitewashed walls dazzle with aesthetic purity, offering the ultimate canvas for lovely sunbleached timber accents, rattan, and organic fiber accents. Beach-chic elegance meets seaswept romanticism throughout familiar, comfortable, and sophisticated common rooms. A glorious chef's kitchen is ready to satiate the most demanding epicurean whims and gastronomic cravings. This spectacular retreat offers seven bedrooms, all beautifully designed. Two of these bedrooms are located in the Guest House.

Highlights include generous concealable glass sliding doors opening to expansive covered terraces, sun decks, and an infinity pool. ## TURKS AND CAICOS

### LONG BAY

Turks and Caicos are a British Overseas Territory made up of eight major islands and dozens of smaller cays in the tropical Atlantic, southeast of the Bahamas. Known for its turquoise waters and powder-soft sand, the archipelago is home to some of the best beaches in the world. On Providenciales—locally known as Provo—you'll find Grace Bay Beach, upscale restaurants, and luxury boutiques. At the same time, Grand Turk offers world-class wall diving and glimpses into the island's colonial past.
