BEACH ENCLAVE LONG BAY 6

LONG BAY, TURKS AND CAICOS

Beach Enclave Long Bay 6 is a striking contemporary estate perched along Turks and Caicos' most ethereal stretches of sand. Sunkissed opulence comes to its purest expression in a glorious vacation rental satiating the ultimate Caribbean island fantasy. Perched ten minutes from the airport and five minutes from Grace Bay's lively entertainment district, guests are offered the ultimate jumping-off point for discovering the delectable charms of this luxury destination.

Gorgeous interiors present a dazzling merger of contemporary chic elegance and seaswept romanticism. A slick double-story great room interfaces beautifully with majestic ocean vistas, with retractable glass walls navigating seamlessly onto the shaded alfresco space. Radiant whitewashed interiors are enlivened with soft sand-hed timbers and seaswept decor, imparting a subtle inflection of bohemian beach rusticism to the chic space. Sleek lines and dimensions curate a thoroughly modern ambiance in harmony with a limited palette of white, beige, grey, and wood. Streamlined custom cabinetry curates a lovely gastronomic workspace before a six-seat table set, enveloped with crisp linen slipcovers, the dining area garnished with fossilized sea life. Sub-Zero and Wolf appliances complement high-quality, large-format European tiling and Ipe hardwood deck. This elegant beachfront vacation rental presents two gorgeous ensuite bedrooms curating an intimate beachside retreat exemplifying beachside highlife living. For extended families or larger parties, this expansive layout features a two-story beach house with a sea view master suite and guest suite and a separate, standalone cottage of two guest rooms, each with its own full, ensuite bathroom. Expansive sliding glass doors lead to private infinity-edge pools, signature outdoor showers, and multiple terraces for alfresco dining and lounging.

The perfect Turks and Caicos vacation Villa for those seeking rejuvenation and reconnection with the elements, Long Bay 6 offers privileged access to various water recreation options. Claiming the flour-fine sands of one of the world's top 10 beaches, this oceanfront luxury oasis epitomizes sunkissed opulence. Shallow depths lead off a long distance from the shore, making it ideal for families with smaller children.

TURKS AND CAICOS

LONG BAY

Turks and Caicos are a British Overseas Territory made up of eight major islands and dozens of smaller cays in the tropical Atlantic, southeast of the Bahamas. Known for its turquoise waters and powder-soft sand, the archipelago is home to some of the best beaches in the world. On Providenciales—locally known as Provo—you'll find Grace Bay Beach, upscale restaurants, and luxury boutiques. At the same time, Grand Turk offers world-class wall diving and glimpses into the island's colonial past.
