## BUENA VILLA AT WYMARA

### TURTLE TAIL, TURKS AND CAICOS

Buena Villa is an outstanding beachfront residence belonging to the prestigious Wymora luxury resort community. Perched a few barefoot steps from the Islands' ethereal white sands, this home curates an exemplary tropical sanctuary. Worthy of its prestigious Turtle Tail positioning, Buena Villa is perfected in opulent beachside living.

Interiors deliver the height of contemporary chic elegance to the gorgeous southern shores of Providenciales. Pristine white interiors dazzle with scintillating urban cool, while white oak-paneled ceilings hint at a beachy elegance. A sparse and precise layout speaks to an understated refinement, flaunting glossy, streamlined cabinetry and lustrous glass surfaces. A textured stone wall imparts an earthy rusticism. Retractable glass walls and clerestory windows run on either side of the great room, dousing the interiors in radiant natural light. Breezy, chic, and airy, Buena Villa challenges the distinction between indoor and outdoor space, with the salon buffering between the vast coastline and the intimacy of the courtyard. Four gorgeous ensuite bedrooms accommodate eight guests in utmost comfort, discretion, and luxury. Each suite is a sanctuary of relaxation, flooded with astounding sea views and graced with coveted terrace and balcony access.

Expertly conceived exteriors are perfected for all-day and all-night entertainment. Ample lounge and alfresco space marry with a smattering of alluring sun loungers convening around a lavish infinity pool. Take a pick between the vast expanse of the coastline or the intimacy of the internal courtyard plunge pool.

- Water View

## TURKS AND CAICOS

### TURTLE TAIL

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
