CORAL PAVILION

LEEWARD, TURKS AND CAICOS

Coral Pavilion is an exemplary coastal Villa perched along Turks and Caicos' most coveted stretch of coastline. Straddling the pristine white sands of Grace Bay beach, Coral Pavilion curates the ultimate tropical Island sanctuary, minutes away from restaurants, amenities, and shopping. This striking coral stone edifice is the masterwork of famed designer Oliver Messel, a favorite of the British aristocracy.

A gorgeous Bajan colonial facade evokes the great houses of Barbados. Interiors present a delectable marriage of timeless high culture refinement and boho beach chic elegance. Dreamy cream-colored stone flaunts gorgeous neoclassical moldings while retractable french windows inundate the interiors with soft light. The great room's wide openings and free-flowing floorplan enhance an insatiable sense of breeziness, with interiors chic yet understated interiors perpetually wafted by the balmy sea breeze. A showstopping commercial kitchen fuses urban sophistication with provincial charm, flaunting expansive granite workstations, stylish subway wall tiles, and light blue cabinetry. Top-of-the-line commercial-grade appliances promise exemplary gastronomic experiences in the dreamy formal dining space or extensive alfresco spaces. All five bedrooms are outfitted with lavish en-suite baths to offer all the guests total privacy, discretion, and style. Coral's ten guest capacity is ideal for family getaways where rejuvenation and reconnection with the elements are of the highest order.

Pristine grounds abound with symmetry and elegance, straddling the bounds of a gorgeous stretch of ethereal soft white sands. Dreamy exteriors flaunt neoclassic banisters and arched veranda spaces, speaking to a timeless refinement. The back lawn's endless open spaces and far-reaching sea views complement a spectacularly intimate vine-entangled courtyard. A sizeable outdoor pool anchors the exteriors delivering a sensational venue for mid-day refreshment, delighting in the breathtaking hues of inviting waters.

TURKS AND CAICOS

LEEWARD

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
