VILLA PLUTO

BLUE MOUNTAIN, TURKS AND CAICOS

Villa Pluto is a stunningly refined estate within the prestigious Blue Mountain area of Turks and Caicos, part of an exclusive new boutique resort, offering an exquisite vacation experience in a private, tranquil setting. This Turks and Caicos luxury vacation rental seamlessly blends seclusion with an ideal proximity to secluded beaches, sophisticated restaurants, and the island's most desirable destinations, all just moments away.

The interior of Villa Pluto exudes an unparalleled elegance with bespoke furnishings by Roche Bobois, renowned for its world-class designs. A spacious living room welcomes guests with floor-to-ceiling windows, filling the space with natural light and offering breathtaking views of the sea. Subtle gray, blue, and green hues create a serene, island-inspired ambiance, while modern conveniences such as a TV and sound system elevate the experience. The dining area flows seamlessly into the living space, providing a refined setting that seats eight guests comfortably. A fully equipped kitchen boasts a chic breakfast bar and premium appliances, perfect for preparing leisurely meals or hosting intimate gatherings. Four meticulously designed bedrooms, each with ample closet space, TV, and WiFi access, embody both luxury and tranquility. Two of the bedrooms feature dedicated workspaces, allowing guests to balance relaxation with convenience in a way that suits their every need.

Outside, this Turks and Caicos luxury vacation rental offers a blissful escape with a beautiful pool surrounded by plush loungers and shaded areas for ultimate comfort. Just a short walk brings guests to secluded beaches, where dedicated beach service ensures a seamless transition to the powdery sands and turquoise waters that define Turks and Caicos. The eco-conscious approach, powered by Tesla's latest solar technology, reflects a commitment to sustainable luxury, making Villa Pluto an ideal retreat for those seeking a sophisticated and responsible island getaway.

TURKS AND CAICOS

BLUE MOUNTAIN

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
