## VILLA BIONDI

MONTALCINO, TUSCANY

Villa Biondi is a charming country manor belonging to the Rosewood Castiglion del Bosco estate in Tuscany's famed Val de Orcia region. This outstanding traditional estate is a veritable pastoral paradise perched upon verdant lawns and enveloped by panoramic rolling hills. A mere four miles from extraordinary gastronomic experiences and picture-perfect Medieval villages, Biondi offers the utmost immersion into eternal Italianate living.

Old world aristocratic prestige and country home romanticism merge in glorious plaster-finished interiors. Exposed beam walls, refurbished early-century furnishings, and cabinetry imparts delectable rusticism to this wondrous luxury vacation rental. An original fireplace sets the scene for cozy nights-in or downtime between activities, while ultra-plush neutral sofas and wingback chairs with playful patterning add a modern edge to the timeless space. A stunning internal palette exudes a graceful sun-kissed patina potent with history yet fresh and youthful. The dining and kitchen quarters are exceptionally well executed, abounding with heaps of provincial charm and bohemian detailing, ensuring a picture-perfect setting for rediscovering classic Italian dishes. Plentiful windows douse the interiors with radiant light animating varnished kitchen countertops, shimmering tile backsplashes, and radiant terracotta hues. Five sumptuous ensuite bedrooms accommodate up to ten guests in utmost discretion, style, and comfort.

With a wealth of covered and uncovered seating areas, Villa Biondi embraces the natural majesty that surrounds it. The natural wood veranda is a lovely extension to the authentic stone facade. An inviting pool is an ultimate spot to ward off the afternoon heat, with alluring sun loungers curating exceptional moments lulled into a restful state of reverie, taking in the inexhaustibly beautiful vistas.
