# THE BELLA COOLA ESTATE

CENTER, VERBIER

The Bella Coola Estate is an astounding chalet and icon of the Verbier luxury rental market. Immersive mountain vistas peer into the purest express of Swiss Alpine majesty while coveted positioning brings guests within a moment's notice of world famed ski runs and prestigious village culture.

Spellbinding interiors present a harmonious fusion of timeless mountain romanticism and old European prestige. Classically beautiful furnishings upholstered in the opulent silver ground, a regal living space shrouded in glorious beige tones. Reclaimed timber encases a fantastic vaulted ceiling living room punctuated by oversized windows and clerestory accents, immersing the interiors in larger-than-life Alpine vistas. Understated, uncluttered, yet abounding with aristocratic prestige, The Bella Coola is privy to the finest noble materials, craftsmanship, and well-appointed design across over 9000 sq. ft of elite living space. This luxury complex comprises two twin properties; the second is imbued with a more romantic and rustic design direction. Fourteen adults and four children may be accommodated in total comfort, discretion, and elegance across eight sumptuous bedrooms. The idyllic getaway for large groups, conferences, or family celebrations, the Bella Coola offers a breadth of sizeable common areas ensuring utmost guest autonomy. In-Chalet experiences are among Verbier's most luxurious, with a famed private spa and wellness area complete with a wondrous Neoclassical indoor pool. Between two spacious living areas, two wet bars, and a wine cellar, The Bella Coola estate is well-outfitted for late-night entertaining or indulgent nights in.

A sun-drenched terrace offers no shortage of vantage points for soaking in the incomparable sights or the winter sun. Indulge in fantastic morning routines saluting the snow-capped peaks before the glisten of ethereal morning light upon freshly fallen snow.
