ZERMATT, ZERMATT

Chalet Zermatt Peak is a spellbinding estate redefining 21st-century Swiss Alpine opulence. Secluded and serene, yet moments away from the bustle of the resort village, this estate peers into the purest distillation of Swiss Alpine splendor from its authoritative perch. Embodying the paragon of luxury, style, and white glove service, Zermatt Park sets forth an idyllic fusion of natural beauty, convenience, and aesthetic excellence.

This lavish Zermatt luxury rental accommodates ten adults and three children in total comfort and discretion between five bedrooms, each more stunning than the last. Set over six floors with floor-to-ceiling windows, this Chalet fuses traditional alpine charm with scintillating haute couture stylings and architecture. Crisp lines and sleek vertices sculpt thoroughly dynamic interiors, with vaulted and oblique dimensions enhancing an incredible sensation of verticality and freedom. Artful designer furnishings match the prestige of the ultra-exclusive space, with sumptuous low-profile sectionals and avant-garde flair defining the open concept great room. A show-stopping lounge flaunts double-height glass ceilings and architectural skylights flooding each square inch of the open concept space in immersive village and Matterhorn vistas. The library area features a cozy fireplace, perfect for relaxing with a good book or enjoying afternoon tea and drinks. For true relaxation, there is a spacious glass-walled wellness area with an indoor/outdoor Jacuzzi pool, a sauna, a bio steam hammam, and a massage room where in-house treatments can be arranged. There is a fully equipped fitness area with state-of-the-art equipment for guests looking to keep up with their off-slope fitness. All rooms are outfitted with HD cinema TVs with digital surround sound and Bluetooth connection. Fully automated lighting and indoor-outdoor audiovisual controls ensure a customizable experience ideal for the entertainer.

The home's modular design invites warm sunny days with retractable glass walls opening up to fully encompass the majestic terrace and outdoor Jacuzzi space. ZERMATT

ZERMATT

Zermatt, an idyllic mountain village in the Swiss Alps, established itself as one of the most renowned world-class resorts. Dominated by the Matterhorn, a looming peak that has achieved almost mythical status as the ultimate Swiss landmark makes the village of Zermatt all the more enchanting. As a winter resort, it boasts an enviable snow record, superb skiing (lasting through early summer), stunning luxury ski chalets, and nightlife to match. Come summer, the four-thousand-meter summits attract many alpinists. There are hiking, cycling, climbing, and high-Alpine tours with views of Europe's highest two mountains – Mont Blanc and Monta Rosa. This combination of breathtaking scenery, top-class hospitality, and one of the highest ski areas in the Alps make Zermatt a dream destination all year round. A robust cultural itinerary keeps guests occupied, with ample museums and tours awaiting [apres-ski downtime](#).
