NORTH ISLAND, INDIAN OCEAN ISLANDS

The North Island of Seychelles provides the purest expression of the remote tropical getaway. Unfettered luxury meets ethereal natural splendor spanning technicolor jungle, beautiful white-sand shores, and gigantesque granite cliffs. A self-contained world of discovery awaits, offering otherworldly tranquility and total rejuvenation of the mind, body, and soul.

Sublime tropical environs span only eleven luxury estates, with transient beach footprints the only evidence of civilization within this perfectly pristine ecosystem. Perfected in the art of barefoot luxury, each residence exhibits exquisite interiors offering the pinnacle of beach-chic rusticism. Immaculate organic textures vacillate between rough and smooth, seaswept natural wood accents and bound beam accents complimenting opulent louvered panels and ultra-chic postmodern seating. Natural beams, exotic woods, and bamboo accents enclose dreamy living spaces perpetually wafter by the refreshing sea breeze and sweet tropical fragrance. An uncanny naturalist character runs throughout the lavish living spaces, with each estate created from local materials harvested during the island rehabilitation process. Private verandas and secluded beachfront palapas immerse guests in the spellbinding natural bounties of the Island. With a mere twenty guest capacity, North Island is revered for its exclusivity, lauded for discretion and freedom with six-star comforts.

Far more than a holiday destination, North Island taps into the intoxicating pace of luxury Island living. Lounge in the therapeutic waters of the hot tub, great sun rays filtered through technicolor plans above. Regale in conversation with loved ones under palapa shaded gazebos, serenaded by the soothing ocean surf, frosty cocktail in hand. This self-contained paradise will leave an indelible mark on the most discerning luxury traveler, offering unmatched relaxation.
