VELAA PRIVATE ISLAND

VELAA ISLAND, INDIAN OCEAN ISLANDS

Velaa Private Island is the purest manifestation of the luxury boutique hideaway. This complex is entirely inspired by the ethereal beauty of the Maldives, matching world-class amenities to the very best of the Indian Ocean. Embark on a journey to the archipelago's most remote and unspoiled shores, where the only thing exceeding the region's natural splendor is Velaa's spectacular facilities.

Authentic Maldivian elements fuse with an unadulterated vision of contemporary luxury. Exotic palapa thatched rooftops sit atop scintillating modern estates brimming with 21st-century glamor. This idyllic tropical Island features an expansive roster of luxury accommodations ranging from serene jungle estates to over-water bungalows and detached beachfront Villas. Velaa offers every gradient of tropical Island exoticism perfected in the art of laidback luxury. Mahogany louvered panels and intricate lofty ceilings impart a colonial feel to the beach estates, while teak furniture and suspended bamboo lights bring nature indoors. Wall to wall glass doors frame terraces and private pools. Abundant sunshine is refracted through the stunning filter of technicolor foliage, curating a genuinely magical Island ambiance. The resort flaunts a charming turtle motif, with iconic turtle shell patterning permeating the property. From the broader bird's eye view, arriving by seaplane, the Velaa's over-water villas are constructed to resemble a turtle's head while the landmass forms the body.

Spanning twenty hectares of spectacular terrain fringed by white sand beaches, coral reefs, and crystalline turquoise waters, Velaa is home to a fascinating ecosystem complete with a hatchery and conservation area for local wildlife. Excellent six-star resort facilities render this remote Island a veritable garden of Eden. Awe-inspiring natural majesty fuses with world-class amenities, including an Island tennis facility and golf course. Velaa offers extensive health and wellness facilities, gastronomic experiences, recreation facilities, and water toys beckoning nautical fun.
