# KAUAI

LIHUE KALAPAKI

Affectionately known as the Garden Island, Kauai is beautifully draped in emerald green valleys, jagged cliffs aged by the elements, and sharp mountain spires. It is otherworldly with tropical rainforests, meandering rivers, cascading waterfalls, and ethereal beaches consistently ranking as some of America's most beautiful. The northernmost island in the Hawaiian chain, some parts of Kauai are accessible only by sea or air. There are so many things to experience: take a breathtaking private helicopter tour over majestic Manawaiopuna Falls, the Napali coast and fly into the Mt. Wai'ale'ale crater, a dormant shield volcano; go hiking in Waimea Canyon State Park; snorkeling and diving among rich marine life. Enjoy the freshest seafood while marveling at some of the best sunsets on the planet!
