VILLA GEORGINA

BLEVIO, LAKE COMO

Villa Georgina is an astounding heritage property and one of Lake Como's largest. This exclusive lakefront residence belongs to the picturesque and sleepy lakeside village of Blevio, under two miles from the bustling and lively center of Como. Ideally situated with the most exquisite corners of Northern Italy within reach, guests may indulge in day trips to Milan, the historic delights of Venice, or the alpine prestige of St Moritz.

This property comprises two dazzling manors conjoined by a historic harbor along the lake's edge flanked by terracotta statuettes. Eternal Medici-era elegance, contemporary high culture panache, in aesthetically immaculate interiors. Plush modern furnishings invoke old-world prestige with gold trim and burgundy velour. Beautiful frescoes adorn the ornate double-height curved ceilings of multiple living spaces, including the music room with a grand piano. Every element of Villa Georgina's interiors is a testament to the sublime, from the dazzling granite flooring to the finely arched doorways, windows, and restored period pieces. Original baroque portraits, crystal chandeliers, and exquisite friezing resonate with immortal Italianate prestige. These spellbinding twin manors comprise thirteen dazzling ensuite bedrooms configured between a seven-bedroom and six-bedroom estate. Indulge in the bygone opulence and regal amenities within this Lake Como luxury vacation rental, including ceremonial halls, parlors, and music rooms.

The glorious exteriors resemble a private park, a serene garden of Eden awaiting exploration by large parties. Impeccably manicured lawns, lush vegetation, shaded nooks, and unparalleled lake views curate a space of unprecedented calm and serenity. Both sister estates flaunt private heated swimming pools offering all-day refreshments from the midday sun to the evening breeze.
