VILLA IMPERATORE

BLEVIO, LAKE COMO

Villa Imperatore is an astounding heritage property and one of Lake Como's largest. This exclusive lakefront residence belongs to the picturesque and sleepy lakeside village of Blevio, under two miles from the bustling and lively center of Como. Ideally situated with the most exquisite corners of Northern Italy within reach, guests may indulge in day trips to Milan, the historic delights of Venice, or the alpine prestige of St Moritz.

Aesthetically immaculate interiors present a delectable fusion of 19th-century aristocratic elegance with contemporary high culture panache. Plush modern furnishings invoke old-world prestige with gold trim and burgundy velour. Beautiful frescoes adorn the ornate double-height curved ceilings of multiple living spaces, including the music room with a grand piano. Every element of Villa Imperatore's interiors is sublime, from the dazzling granite flooring, the finely arched doorways, windows, and restored period pieces. Original baroque portraits, crystal chandeliers, and exquisite friezing resonate with immortal Italianate prestige. This three-story manor accommodates 16 guests in utmost comfort and discretion between eight exceptionally comfortable bedrooms. Guests are transported to an era of bygone class and regal amenities within this wondrous Lake Como luxury vacation rental. The manor's configuration includes two ensuite masters with lake views.

The glorious exteriors resemble a private park, a serene garden of Eden awaiting exploration by large parties. Impeccably manicured lawns, lush vegetation, shaded nooks, and unparalleled lake views curate a space of unpreceded calm and serenity. Imperatore includes a private jetty and boat, awaiting fascinating excursions around Lake Como and its picturesque shorefront villages.
