VILLA PEDUZZI

PIGRA, LAKE COMO

Villa Peduzzi is an astounding luxury villa redefining high-altitude living. Perched in dramatic natural surroundings above the breathtaking Lake Como, Villa Peduzzi artfully harmonizes aristocratic elegance with ultra-chic industrial design, epitomizing sophistication and exclusivity. As one of the most prestigious Italian villas, it provides an unparalleled experience for discerning travelers.

This remarkable luxury vacation rental is a masterclass in understated elegance, allowing its stunning alpine vistas to shine through. With 13,000 sq. ft. of thoughtfully designed interiors, the villa blends modern minimalism with historic charm. Symmetry, a monochrome palette, and clean lines coordinate with Art Nouveau elements like intricate crown molding and fresco-adorned bedrooms. Plush sofas and mid-century furnishings exude comfort while preserving timeless sophistication. Spanning three main floors and a basement connected by stairs and an in-home elevator, the villa accommodates up to 16 guests across eight sumptuous bedrooms. Common areas include spacious living rooms, two kitchens, a dining room, and a study, while a media room and a wellness center offer abundant recreation and relaxation opportunities. Multiple rooftop terraces, complete with a bar, create enchanting spaces for evening gatherings.

The outdoor spaces of this Lake Como luxury villa are equally captivating. Shaded pergolas, scenic terraces, and expansive decks showcase panoramic views of the lake and surrounding mountains. A short stroll leads to the pool house and a sleek infinity-edge pool that appears to waft into the dramatic landscape. The pool contains an integrated spa that cannot be heated separately. Villa Peduzzi stands as a beacon of luxury living and an exceptional example of exclusive Italian villas, offering a perfect retreat for those seeking refinement and prestige in one of Italy's most iconic destinations.
