VILLA PORTO FELICE

MEZZEGRA, LAKE COMO

Villa Porto Felice is an enchanting oasis nestled in the verdant beauty of Lake Como, offering an exquisite blend of classical elegance and modern refinement. This luxurious vacation rental is a quintessential Italian escape, promising unparalleled tranquility and sophistication. Built with grandeur in the early 19th century, the villa was completely reconstructed in 2005 and later refurbished to an elevated standard of glamour and elegance. Blending 19th-century architecture with a discreetly modern sensibility, the estate serves as a sanctuary of grandeur, where nature, design, and history converge in effortless harmony.

Bathed in natural light and adorned with vibrant botanical drapery, the living room masterfully balances mid-century design with eclectic elegance. Designer furnishings in neutral tones create a sophisticated atmosphere, while plush sofas in soft greys and blues invite relaxation. Layered textures, from silk cushions to wool throws, complement the curated selection of art pieces and objets d'art. Multiple dining areas, both formal and relaxed, offer elegant settings for every culinary moment. The villa's nine individually designed bedrooms accommodate up to 18 guests, each room featuring high ceilings, bespoke decor, and breathtaking garden or mountain views. The indoor pool is a jewel of wellness, set against a sleek modern backdrop with direct access to a serene garden path. A state-of-the-art gym completes the offering, allowing for revitalizing workouts in complete privacy.

Outside, Villa Porto Felice is immersed in a spectacular natural setting. Expansive lawns and shaded pathways create a park-like atmosphere, ideal for morning walks or serene afternoons. A large outdoor pool sits elegantly against the backdrop of forested hills, surrounded by plush loungers and vibrant greenery. With secluded terraces and panoramic lake and mountain views, the villa's exteriors invite indulgence in every hour of the day.
