CASA FIKA

GUATEMALA, REST OF LATIN AMERICA

Casa Fika is an exquisite residence nestled along the pristine shores of Lake Atitlan, Guatemala. Located in the exclusive boutique development of Leembal del Lago, this breathtaking luxury vacation rental in Latin America is surrounded by lush foliage, offering unobstructed views of majestic volcanoes, lavender-filled gardens, and the lake's turquoise waters. Casa Fika provides a tranquil retreat where guests can immerse themselves in the serene beauty of nature while enjoying unparalleled luxury and comfort.

Casa Fika's architecture masterfully combines industrial and natural elements, creating a striking yet inviting ambiance. The villa's design is a harmonious blend of cool steel, expansive glass, natural rocks, and smooth concrete, softened by the warmth of timber finishes. Mid-century modern pieces and minimalist decor are thoughtfully chosen to enhance the stunning views. The living room, with its light timbers, rattan rugs, and soothing gray upholstery, exudes serenity and comfort, making it an ideal space for relaxation. The open-concept design extends to the entertaining, dining, and kitchen areas, where uninterrupted views of the surrounding volcanoes enhance sleek, modern finishes. The Guatemala luxury vacation rental is designed to accommodate up to 22 guests across five luxurious bedrooms, each thoughtfully appointed to ensure maximum comfort. One of the bedrooms is a unique bunk room featuring full-over-full beds that can comfortably sleep up to eight children or four adults, making it perfect for families or groups. Additionally, staff quarters are available, complete with a bunk bed, ensuring that every aspect of a guest's stay is thoughtfully catered to.

The exteriors of Casa Fika are equally impressive, offering mesmerizing views of the surrounding landscape. Guests can unwind in the outdoor pool or jacuzzi, surrounded by lush foliage that enhances the villa's secluded ambiance. An outdoor BBQ area provides the perfect setting for alfresco dining, allowing guests to savor the stunning vistas, characteristic for Latin America, and the soothing sounds of the lake.
