# VILLA ELIZABETH

GOSHEN, LITCHFIELD

Villa Elizabeth is a gorgeous manor doused in the prestige of a 19th-century French Chateau. Stately and regal, this estate sits on a vast 450 acres of terrain overlooking the Connecticut foothills. This stunning Litchfield property is updated to provide the highest caliber modern comforts and amenities.

Pristine beige and white interiors line the home's glorious interiors garnished with traditional wainscotting, raised paneling, Herringbone floors, and custom crown molding. Delicate French windows inundate the refined, aristocratic interiors with gorgeous light, animating the home's prestigious decor. A sumptuous seating room is decorated with tasteful 1920s-era Parisian lithography, ultra-plush sofas, and armchairs convening around an immaculate stone fireplace and glossy grand piano. A dreamy formal living room flaunts a lush palette of custard, seafoam, and pink. Flush with crystal chandeliers, candelabras, and stunning Impressionist pieces, the aristocratic romanticism of this home is truly wondrous. With a grand 25,000 sq. ft at its disposal, this manor brims with common spaces, including a trophy room, library, and multiple dining rooms. Reveling in the refinement and grandeur of a bygone era, Villa Elizabeth offers ten glorious bedrooms, fit to accommodate up to twenty distinguished guests. The manor boasts an indoor pool overlooking mature gardens, a gym, basketball court, exercise, and steam room.

The outdoors are as serene as possible, with a vast pastoral paradise unraveling before guests. An outdoor pool, tennis, and play court ensure spontaneity and recreation for large groups. The three-car garage is located on the circular front drive next to the porte-cochere.

- Terrace

# LITCHFIELD

## GOSHEN

Litchfield, an idyllic small-town luxury destination is also one of the United States' best-kept secrets. Understated and shrouded in exclusivity, esteemed residents of this quaint community include Meryl Streep, Kevin Bacon, and Michael J. Fox. Lauded as one of America's most picturesque towns, Litchfield has become synonymous with the good life, with its perfectly preserved architecture that retains the glory of 18th-century New England. High-end boutiques, artisanal shops, and gastronomic delights speckle the historic green, while lush pastoral surroundings offer no shortage of recreation options, from biking and horseback riding, to watersports. Litchfield unravels an illustrious piece of nation-building history as a significant revolutionary town during the civil war. The birthplace of notable artists, politicians, writers, and educators, Litchfield's influences go far beyond state lines with an illustrious legacy that has shaped American society and culture.
