KNIGHTSBRIDGE PENTHOUSE

MAYFAIR, LONDON

Knightsbridge Penthouse is a supremely rare residence crowning Grosvenor House on Park Lane, one of London's most storied addresses, with sweeping views over the treetops of Hyde Park. Positioned where Mayfair meets Knightsbridge, guests are moments from the boutiques of Mount Street, the legendary hotel bars of Park Lane and the grand department stores of Knightsbridge. With a dedicated building concierge at their service, this London luxury vacation rental is fully attuned to the pinnacle of cosmopolitan fine living.

Interiors present a striking homage to Art Deco glamor, where glossy black lacquer, polished ebony and crisp white upholstery create a sophisticated monochrome palette punctuated by flashes of scarlet. French doors throughout open to the terrace, flooding the rooms with light. The drawing room gathers around a sleek fireplace beneath framed fashion sketches, while a second lounge offers plush sectionals for relaxed evenings. A formal dining room with a glass-topped table beneath alabaster pendants sets the scene for elegant soirées, served from a gleaming black kitchen with a breakfast island. Spanning 3,961 sq.ft., the penthouse offers four bedrooms that accommodate eight guests in utmost comfort and discretion, each with a walk-in closet: a book-lined study, smart home technology, and a sound system complete the roster of amenities.

Knightsbridge Penthouse comes into its own on its private terrace, where potted olive trees and sun loungers line the balcony with front-row views over Hyde Park. Mornings begin with coffee above the park's leafy canopy, while evenings bring champagne as the city lights glimmer. Guests also enjoy the building's fitness center and indoor hot tub, ensuring every comfort is within reach.
