HOLLYWOOD HILLS, LOS ANGELES

Bellgave Estate is an exceptional hilltop residence offering breathtaking views over the City of Angels. Designed by the world-renowned SAOTA, this architectural marvel features a stunning organic facade made of glass, Italian travertine, and steel that perfectly harmonizes with its surroundings. Positioned on the last promontory of the sunset strip, this lavish luxury vacation home promises jetliner views of the scintillating cityscape from every room.

The Bellgave estate exemplifies contemporary minimalist and Italian elegance, illuminated by the golden light of California sunsets. Its pared-down designer furnishings shine in the ethereal dusk glow, while beautiful mid-century seating surrounds the ultra-plush designer sofa. The rugged travertine stone lends a captivating organic touch to the home, complementing the vast streamlined dimensions of this Beverly Hills luxury vacation property. With sleek lines and remarkable vertices, the interiors redefine indoor-outdoor luxury living. Throughout the immaculate common areas, stunning primitivist and neo-impressionist pieces contribute to a sense of cosmopolitan opulence, elevating lavish cocktail soirees and pre-gala get-togethers to new heights. Formal living spaces boast exquisite detailing, including custom millwork doors, French white oak floors, and gallery-like high ceilings. The estate offers four wondrous ensuite bedrooms, accommodating guests in unmatched luxury, elegance, and style across over 23,000 sq. ft of prime living space.

The larger-than-life interiors are matched with awe-inspiring 270-degree panoramas of Los Angeles, stretching from the Griffith Observatory to Downtown, Century City to the Pacific.
