PENTHOUSE ZEUS

DOWNTOWN, LOS ANGELES

Penthouse Zeus is a fabulous residence ideally situated in Downtown Los Angeles. Vaunted as Los Angeles' most luxuriant penthouse rental, this prestigious 18,000 square foot suite is LEVEL Furnished Living's crowning residence. Boldly pushing the limits of residential luxury living, Penthouse Zeus presents the city's most scintillating urban vistas. Highlife glamor and urban sophistication are ramped up to eleven. Prestigiously positioned, this suite is five minutes from the LA convention center and under 40 minutes from LAX.

The sprawling four-bedroom, ten-bathroom penthouse sits atop the 34th and 35th floors of the LEVEL complex. Glorious 13-ft floor-to-ceiling windows offer unparalleled 360-degree urban views. Aesthetically immaculate interiors are courtesy of renowned designer Robert Bailey. The finest natural materials find their ultimate expression in this home. Gorgeous limestone and marble accents complement the exceptional depth of walnut, ash, and oak. Sleek glass and shiny metal accents imbue the interiors with a delectable cosmopolitan glamor. Sweeping views, evocative post-modern pieces, and custom-designed furniture blur the distinction between art and the art of living. The striking master bedroom occupies the prime southeast corner enveloped in awe-inspiring downtown views. This suite features a king-sized bed, a custom upholstered soundproof bedside wall, and a stone-surround inset fireplace. An in-home basketball court ensures your urban getaway never misses a beat.

A 165-foot pool and expansive hot tub grace an exquisite terrace, soaring above the city's most iconic skyscrapers. An additional catering kitchen on the rooftop terrace pushes the limits of highlife entertaining, with views as epic as the Greek deity after whom the residence was named.

LOS ANGELES

DOWNTOWN

Los Angeles holds many distinctions. Its ethereal and otherworldly character earns it the beloved moniker, the City of Angels. It may be the birthplace of Hollywood, but it is much more than just red carpets and silver screen stars. Having a thriving art scene, LA is an absolute cultural mecca with more than 100 museums, like the Los Angeles County Museum of Art (LACMA) with seminal artwork. The city has an exciting medley of restaurants and bars to choose from, and the Art Deco Griffith Observatory high up in the Hollywood Hills, with its Samuel Oschin Planetarium, Tesla Coil, and cameos in several iconic films, is one of LA's most distinctive landmarks. Electric with ethnic diversity and an uncanny Mediterranean climate, Los Angeles is a world unto itself.
