VILLA ANTONINA

BEVERLY HILLS, LOS ANGELES

Villa Antonina is a breathtaking estate nestled in the heart of Beverly Hills. The luxury vacation rental's architectural landscape exudes the charm of a tranquil nature park, with tree-lined boundaries surrounding lush, manicured grounds. An enchanting arboretum, meandering stone pathways, and mesmerizing views create a setting that captivates the senses.

The interiors present a lovely combination of European high culture and contemporary sophistication, with a hint of country home rusticism. Plump modern sectionals are enveloped by windows, allowing natural light to animate the neoclassical decor, from sconce lighting and scintillating crystal chandeliers to a glossy grand piano. Exposed beams, ample natural wood furnishings, taxidermy pieces, and fur throws further embrace the rustic theme. An ultra-elegant dining room leads to a French country-style kitchen, updated with sleek modern appliances. The principal residence is complemented by a guest home, offering lodging versatility and ensuring the utmost discretion and comfort across its multiple wings. The seven beautifully decorated bedrooms epitomize elegance and style, with a show-stopping master suite featuring a Rococo-styled fireplace and private terrace. Two dedicated staff bedrooms and additional guest sleeping options provide flexibility for larger parties. The Los Angeles luxury vacation rental is flush with amenities, including a vintage two-lane bowling alley, a game room, and a state-of-the-art gym for athletic lifestyles.

The exteriors of Villa Antonina are as captivating as the interiors, seamlessly blending grandeur with comfort. A chic and stately outdoor dining area beckons lavish soirees with its stone patio, striking Roman-inspired columns, and overhead ceiling fans. A luxury ambiance is created between a tennis court with a pavilion, a putting green pool, and a jacuzzi, presenting a haven of recreation and relaxation under the shade of many tree varieties. This lovely luxury mansion has been known to dazzle the most discerning clientele.

LOS ANGELES

BEVERLY HILLS

Los Angeles holds many distinctions. Its ethereal and otherworldly character earns it the beloved moniker, the City of Angels. It may be the birthplace of Hollywood, but it is much more than just red carpets and silver screen stars. Having a thriving art scene, LA is an absolute cultural mecca with more than 100 museums, like the Los Angeles County Museum of Art (LACMA) with seminal artwork. The city has an exciting medley of restaurants and bars to choose from, and the Art Deco Griffith Observatory high up in the Hollywood Hills, with its Samuel Oschin Planetarium, Tesla Coil, and cameos in several iconic films, is one of LA's most distinctive landmarks. Electric with ethnic diversity and an uncanny Mediterranean climate, Los Angeles is a world unto itself.
