VILLA CHARLOTTE

HOLLYWOOD HILLS, LOS ANGELES

Villa Charlotte was conceived with an eye toward leisure and modern design. Meticulously crafted to the highest of standards, this architectural off the Sunset Strip offers a captivating home for holidays with friends or family.

Beyond the home's massive front pivot door and floating staircase is a setting both serene and powerful, where a wealth of glass elements allow the natural surroundings to flow freely and create a dramatic visual experience throughout. Fleetwood pocket doors seamlessly integrate the private, sun-drenched grounds with water features, zero edge pool & luxurious cabana. An entertainer's dream, the formal dining room is joined by a 21 ft. a motorized wine rack that allows a treasured vintage to travel from the upstairs master wing to your table at the push of a button.

Furthermore, the sprawling basement level evokes an upscale lounge with theater, gym/sauna, and a full bar offering an alluring view into the pool overhead as well as the impressive 7-car gallery. This stunning residence also includes maids quarters and an additional 2-car garage.

LOS ANGELES

HOLLYWOOD HILLS

Los Angeles holds many distinctions. Its ethereal and otherworldly character earns it the beloved moniker, the City of Angels. It may be the birthplace of Hollywood, but it is much more than just red carpets and silver screen stars. Having a thriving art scene, LA is an absolute cultural mecca with more than 100 museums, like the Los Angeles County Museum of Art (LACMA) with seminal artwork. The city has an exciting medley of restaurants and bars to choose from, and the Art Deco Griffith Observatory high up in the Hollywood Hills, with its Samuel Oschin Planetarium, Tesla Coil, and cameos in several iconic films, is one of LA's most distinctive landmarks. Electric with ethnic diversity and an uncanny Mediterranean climate, Los Angeles is a world unto itself.
