VILLA EVANGELINA

BEVERLY HILLS, LOS ANGELES

Villa Evangelina is a stunning mansion and longstanding icon of Beverly Hills. This breathtaking Neoclassical estate presents the pinnacle of Los Angeles prestige, ideally situated within half an hour of the Getty Center, Natural History Museum, and LAX.

This stately manor abounds with the majesty of a bygone era, while interiors witness a bold and eclectic renovation, further supplanting Villa Evangelina's unblemished reputation and mystique. Urban sophistication and rustic flair merge in a masculine entertainment room drenched with fine timber paneling imbued in an uncanny antique patina. Bondian cool envelops an adjacent seating area by bay windows with plenty of post-modern flair. Each room presents a world unto itself, borrowing from different palettes and influences, unified by sheer aesthetic perfection. Timeless art deco tub chairs, glass tables, glossy white walls, and French door access to the courtyard make up an ultra pristine dining hall. Each of the seven ensuite bedrooms presents a work of art, individually decorated to perfection, the home effectively blurring the distinctions between art and art of living. Villa Evangelina's premises are an aesthete's dream, daring, bold, audacious, but never unrefined. Supplanted with top-shelf amenities, this Hollywood Hills luxury rental is equipped with a screening room and gym.

A winding drive follows from the gates to the main residence, enclosing a stunningly landscaped property equipped with a large swimming pool and tennis court. Vertical gardens are embedded onto the walls of the home in addition to lush flower beds, lawns, and diverse trees. A perfect harmony of style, luxury, and serenity, Villa Evangelina is a Los Angeles luxury rental unlike any other.

LOS ANGELES

BEVERLY HILLS

Los Angeles holds many distinctions. Its ethereal and otherworldly character earns it the beloved moniker, the City of Angels. It may be the birthplace of Hollywood, but it is much more than just red carpets and silver screen stars. Having a thriving art scene, LA is an absolute cultural mecca with more than 100 museums, like the Los Angeles County Museum of Art (LACMA) with seminal artwork. The city has an exciting medley of restaurants and bars to choose from, and the Art Deco Griffith Observatory high up in the Hollywood Hills, with its Samuel Oschin Planetarium, Tesla Coil, and cameos in several iconic films, is one of LA's most distinctive landmarks. Electric with ethnic diversity and an uncanny Mediterranean climate, Los Angeles is a world unto itself.
