VILLA HAILEY

THE BIRD STREETS, LOS ANGELES

Villa Hailey is an extraordinary contemporary masterpiece, commanding a prestigious promontory within the exclusive enclave of the Hollywood Hills. Elevated above the city, this architectural triumph enjoys an unrivaled vantage point, unveiling sweeping panoramas that extend from the shimmering skyline of Downtown to the boundless Pacific horizon.

A bold expression of modern sophistication, this visionary estate is the work of acclaimed designer Paul McClean, where form and function harmonize to embrace the breathtaking surroundings. Floor-to-ceiling glass walls dissolve the boundary between interior and exterior, immersing the residence in the ever-changing spectacle of Los Angeles. The interiors are a study in refined minimalism, showcasing exquisite terrazzo flooring, bespoke Poliform cabinetry, and soaring oak-clad ceilings. At the heart of the home, the expansive great room exudes effortless glamour, featuring a sleek linear fireplace and an elegant seating composition, all positioned to capture the mesmerizing cityscape. A chef's kitchen, impeccably appointed with marble surfaces, custom cabinetry, and state-of-the-art appliances, completes the seamless flow of luxury. Spanning 10,100 square feet, Villa Hailey accommodates 10 guests across five sumptuous bedrooms, each an intimate retreat of tranquility.

Outdoors, the estate unveils a breathtaking oasis where sculpted green spaces give way to two distinct pools, one secluded and serene, the other a dramatic infinity-edge marvel extending toward the endless expanse of the city below. Lavish alfresco lounges and dining terraces set the stage for unforgettable soirees illuminated by the twinkling lights of Los Angeles. A pinnacle of exclusivity and refinement, Villa Hailey is a Hollywood Hills sanctuary designed to captivate the most discerning connoisseurs of luxury living.
