Villa Kelsey is an exquisite mid-century, modern-inspired luxury vacation home exuding quintessential Beverly Hills glamor and prestige. Praised for its sweeping panoramic views from the city skyline to the Pacific, this luxury rental offers a unique wellness retreat. Perched atop a peninsula, Villa Kelsey pairs stunning sea vistas with a luxurious living concept focused on well-being.

The home features double-height ceilings, retractable glass walls, and an open-concept floor plan, providing a canvas for stylish mid-century accents. The space is defined by sleek lines and multi-toned wood cabinetry, marble countertops, and travertine accent walls. The interiors offer far-reaching views, blending contemporary aesthetics with retro-chic panache, evident in the armchairs and sculptural velour seating. This rental is thoughtfully designed for enhanced human health and well-being, seamlessly integrating Delos's wellness elements. Six ensuite bedrooms ensure comfort and luxury for large groups, along with a den, office, and an indoor-outdoor cocktail bar. The cantilevered dining room offers a venue for epicurean indulgence, while amenities like a wine cellar, spa, fitness area, private theater, and Himalayan salt room promise a blissful retreat.

Outside, expansive shaded and unshaded decks provide ample space for lavish entertaining.
