# THE GREAT BEACH RESIDENCE EIGHT BEDROOM

BAA ATOLL, MALDIVES

The Great Beach Residence Eight Bedroom is an astounding beachfront property perched on the ethereal coastlines of the Baa Atoll. Wondrous turquoise crystalline walls embrace this contemporary jewel of the Maldives. Brimming with all the prestige and glamor of this coveted beach destination, The Great Beach Residence is perched moments away from fine dining options, blissful spa facilities, and an endless selection of land and water recreation.

Immaculate interiors present the apex of contemporary chic refinement and Island romanticism. This imposing, harmonious and symmetrical luxury villa in Maldives convenes around a stately living and dining lounge wrapped in floor-to-ceiling glass walls. Playful nautical-themed tiling embraces the vast square footage of the space with warm teakwood tables setting the scene for spectacular gastronomic experiences. Clean vertices, wood slat accents, and designer console tables inflect a subtle mid-century vibe to the exceptionally plush and airy media space. A free-flowing open concept floorplan is ideally conceived for casual get-togethers or lavish dining affairs, with the formal dining area, kitchen, and living spaces melding gracefully together. Large pots, sculptural ceramics in organic shapes, and a neutral sand-and-aqua palette are fully attuned to laid-back Island living. Within the eight stylish air-conditioned bedrooms, ultra-comfy beds dressed in deluxe linens and super-sized pillows rest on polished teakwood floors, surrounded by elegant designer furniture.

A focal walk path navigates between two infinity pools right on the beach edge, flanked by raised poolside sun decks furnished with love seats. These serene Zen-like exteriors abound with harmony in proportions and soothing symmetry before the endless expanse of the water. A wealth of shaded and unshaded deck space presents ample opportunity for all-day and all-night recreation with loved ones.

# MALDIVES

BAA ATOLL

The Maldives' one-of-a-kind geography never ceases to inspire awe. Famously balmy waters, crystalline seas, and dazzling underwater bounties delineate the ultimate haven for snorkelers and deep-sea divers. A collection of more than 1,000 coral islands and atolls shine like jewels suspended in the most luminous cyan-blue waters imaginable. Each island presents its own paradise resort, featuring luxurious accommodations and the ultimate discretion. A destination that needs to be experienced to be believed, this nation takes private island opulence and the tropical beach fantasy to glorious heights.
