## MALIBU

### BROAD BEACH

Malibu is a beach city in the Santa Monica Mountains region of Los Angeles County. The town has captured the world's imagination since the early days of Hollywood glamor. Stretching for about 30 miles along the Pacific Ocean and Highway One, Malibu, nicknamed "the 'Bu" by surfers and locals, has achieved almost mythological status among California beach towns. Hikers will appreciate the miles of canyon trails and water sports enthusiasts can surf, paddleboard and go kayaking. Malibu is also home to the Getty Villa, the original home of the Getty Museum. Flaunting multiple art galleries and al fresco dining in the company of stunning sunsets, it's clear why Malibu is a go-to for the jet set.
