Villa Lolita is a gorgeous custom beach home immersed in the elite Malibu lifestyle. This beachfront estate is lauded for direct access to the famed sands of Colony beach, flaunting exquisite ocean vistas and an unparalleled location.

Beach exoticism and contemporary refinement merge effortlessly in the home's immaculately designed interiors. A retractable glass wall breaks the distinction between indoor and outdoor living, while generous sunlight animates a diversity of wood finishes. A sumptuous palette of warm timber, beige, and grey, doubles down on seaswept romanticism, with cozy textured sofas and armchairs convening around a modern fireplace. A pair of symmetrical alcoves house intricately designed armoires, and wood shuttered arched windows add an exotic inflection to the living room. Impeccably executed for casual entertaining, the open concept floorplan facilitates multiple seating arrangements, a wet bar, breakfast bar, six-seat dining table, and kitchen with a large center island. An exceptional chef's kitchen in a French provincial style is equipped with state-of-the-art appliances. Amenities include a temperature-controlled wine room and media room, ensuring regular nights-in are rendered extraordinary. Six luxurious ensuite bedrooms accommodate twelve guests in the utmost comfort and discretion between 4,886 sq. ft of prime living space.
