# VILLA CAMILA

LA ZAGALETA, MARBELLA

Villa Camila is a palatial residence redefining Andalusian luxury living. Popularly lauded as one of the region's most exquisite properties, this estate claims an acre of lush grounds from its majestic elevated perch in the revered gated community of La Zagaleta. A sea of rolling mountains and undulating hills embrace this wondrous luxury Villa, this secluded oasis perched a mere fifteen-minute drive from Marbella and the marina of Puerto Banus.

A stately symmetrical facade resonates with eternal prestige. Grandiose interiors present the pinnacle of contemporary chic refinement and haute couture glamor. A master of impressions, guests will be dazzled by the home's impressive stature with soaring 23' ceilings matched with svelte sliding glass doors and oversized clerestory accents. The generous Spanish sun douses the sleek and crisp sculptural interiors in radiance, light dancing across opulent precious stone glossy console tables and scintillating postmodern statuettes and decor. Dark ceramic copper tiles make up gorgeous accent walls grounding a serene palette of white and beige tones. A masterwork of 21st-century interior design, Villa Camila offers reception spaces melding the paragon of aesthetic literacy with Bondian cool. Between the state-of-the-art flat screen televisions and custom-made red pony hair cushions, no detail of this luxury living behemoth has been left to chance. Custom linear fireplaces defy gravity in wondrous trophy spaces while saturated far east themed paintings add an Imperial edge to the modern home. Six astounding ensuite bedrooms accommodate guests in total comfort, discretion, and elegance across over 13,000 sq. ft of prime living space. An exquisite cocktail bar and games room elevates nocturnal entertaining to vertiginous heights. Additional amenities include, yet are not limited to, a sizeable indoor heated pool, fitness area, and steam room.

Wondrous exteriors offer no shortage of fantastic deck and balcony space to soak in the awe-inspiring vistas or the replenishing sun rays. A sizeable swimming pool is paired with a romantic sunken lounge area, while picture-perfect alfresco spaces pair kaleidoscopic gastronomy with truly epic vistas.
