VILLA CELESTIAL

LA ZAGALETA, MARBELLA

Villa Celestial is an extraordinary hilltop retreat in La Zagaleta, Marbella's most discreet gated enclave, where protected landscapes and sweeping Mediterranean views frame an estate of rare scale and privacy. Built in a refined finca-style aesthetic with natural stone, timber accents, and expansive glass, the residence balances timeless Andalusian character with contemporary comfort.

Across multiple levels, the interiors reveal calm proportions, natural light, and a restrained palette of organic textures paired with bespoke furnishings. The principal living room opens onto panoramic terraces through floor-to-ceiling windows, while several lounge areas, a piano, and a fireplace create an atmosphere suited to elegant gatherings and unhurried evenings. A professional chef's kitchen sits alongside a secondary family kitchen, complemented by sophisticated indoor and outdoor dining spaces designed for private entertaining. Villa Celestial accommodates up to twenty-two guests within eleven en-suite bedrooms, including three expansive master suites, a family suite, and two independent pool bungalows. Each suite is finished with fine linens, generous dressing areas, and serene marble bathrooms. The estate also features a private spa, sauna, gym, screening room, wine cellar, playroom, heated indoor pool, jacuzzi, and concierge-led services inspired by Mandarin Oriental Exceptional Homes, including private chefs, wellness treatments, tailored excursions, and full villa management.

Outside, landscaped grounds unfold around a infinity pool with uninterrupted mountain and sea views stretching across the Costa del Sol. Shaded lounges, al fresco dining terraces, and manicured gardens create a setting equally suited to long summer afternoons or intimate evening events beneath open skies.
