VILLA MAYARA

PUERTO BANUS, MARBELLA

Villa Mayara is an exquisite beachfront residence fusing twenty-first-century amenities with timeless Mediterranean architecture. Prestigiously poised, this luxury vacation rental is a short five-minute stroll promenade to the bustle of Puerto Banus and a short drive from historic Marbella. Immaculate lawns are embraced by explosive tropical foliage before majestic vistas over the glimmering sea. A private paradise awaits amongst grounds perfected in the art of Andalusian fine living.

On par with the pomp and pageantry of the world's finest Chateaus, wondrous interiors fuse neo-palladian, Napoleonic, and baroque influences, curating an ambiance of unfettered opulence and prestige. The astonishing interiors brim with sublime neo-classicism and regal elegance. Regal moldings flaunt stunning inlays, gold-gilded patterning, and dominating crystal chandeliers before common areas outfitted with shimmering precious stone flooring. Chiaroscuro paintings are encased in buxom aristocratic frames, while dazzling seating arrangements are steeped in Europe's eternal elite traditions. Guests are immersed in the majesty and divine aesthetic traditions of a bygone era. Free-flowing salons are conjoined by wide openings, creating an unmatched ambiance for celebratory galas or cocktail soirees. Immaculately refurbished antique pieces dazzle in centuries-old glory across stately interiors, speaking to an unadulterated vision of grandeur and high culture literacy. Unmatched internal wellness facilities and bar entertaining areas fuse Hellenic purity and contemporary glitz. Six wondrous ensuite bedrooms make up the lavish primary residence, while a further four suites in the guest cottage and another separate apartment assure guest discretion and autonomy.

This coveted abode is protected by wrought iron electric gates enclosing a fabulous topical garden. A raised sun terrace is ideal for soaking in the sights and the rays, while gated beach access assures total privacy. A highlight is a swimming pool graced with the inscription and drawing of Pablo Picasso. To access the stunning beach, guests need only cross the road from this exquisite property.
