KASBAH TAMADOT

ASNI, MARRAKESH

Kasbah Tamadot is a spectacular luxury complex resuscitating Moorish opulence. Spellbinding exteriors atop the mythical Atlas mountains deliver unmatched valley vistas sure to instill a childlike sense of awe and wonder amongst even the most discriminating guests. An unfettered vision of oriental opulence and western comforts, Kasbah Tamadot, is far more than luxury accommodation; it is a destination in itself. Having caught the eye of Sir Richard Branson during one of his famous ballooning expeditions, this award-winning Kasbah continues to enthrall the most distinguished guests the world over.

A palace in every sense of the word, Kasbah Tamadot immerses guests in a world of unadulterated indulgence and decadence. Each corner of the estate, from the micro to the macro, exudes unmatched attention to detail. Utterly sublime, from a sixteenth of an inch detailing of the estate's countless beams and horseshoe arches to the estate's enormous dining halls, Tamadot is a gorgeous ode to the timeless elegance of Ber Ber and Moorish architectural traditions. Indulge in a world of North African royalty fawning at the property's interlacing arches, central courtyards, riad gardens, intricately carved wood and stucco, muqarnas sculpting, and decorative Zellij tiling. Royal Moroccan elements are updated with saturated modern splashes of color, with each of the twenty-eight spectacular ensuite bedrooms exuding a distinct persona. The estate's Ber Ber-style tents elevate glamping to all new heights, promising a unique experience for upwards of fifty-six guests. The awe-inspiring complex includes top-of-the-line spa and recreation facilities, including a gym, hammam, massage room, indoor pool, etc.

Spectacular resort-style exteriors acquaint guests with the Atlas mountain range's exceptionally lush and fragrant vegetation. Endless vine entangled facades and pergolas curate a divine setting for mass entertaining from weddings, lavish birthdays, anniversaries, or conferences. A wealth of tree-shaded outdoor decks and lookout points leave no vantage point unexplored before the majestic valley and mountainscape.

MARRAKESH

ASNI

A shining jewel in the westerly foothills of the Atlas mountains, Marrakesh's charms are eternal. A fascinating destination for the luxury adventurer, Marrakesh abounds with royal tradition. Fantastic casbahs dot the mountainous periphery where unfettered decadence and pursuit of the exquisite reigns to this day. Full-throttle stimulation awaits, with the city delivering an irresistible fusion of sights, sounds, flora, and fauna, leaving you breathless. Islamic architecture dazzles with the imperial prestige of centuries past, while local souqs keep the flame of divine artisanal traditions burning. The city remains an enclave of luxury living between its majestic palaces honoring a regal monarchical past—the tradition of hospitality, tantalizing five-star restaurants, luxuriant spas, and hammams.
