STABLE ROAD

NORTH SHORE, MAUI

Stable Road is an iconic beachfront estate retreat set along Maui's famed North Shore, occupying one of the island's most legendary and storied locations. This luxury oceanfront vacation rental is the flagship property of Stable Road Experience, privately positioned amid lush tropical grounds with sweeping Pacific views. Designed with organic materials and refined island craftsmanship, the estate offers an immersive sense of place where heritage, creativity, and natural beauty converge, making it a celebrated sanctuary in this world-renowned market.

The interiors of Stable Road are drenched in the colors and textures of Hawaii, masterfully designed by internationally renowned designer Martyn Lawrence Bullard to balance relaxed sophistication with bold artistic expression. Natural woods, layered textiles, and curated furnishings define the aesthetic across multiple living spaces that invite both gathering and quiet reflection. The main living areas are expansive and light-filled, opening seamlessly to covered lanais and ocean-facing lounges. Kitchens and dining spaces are designed for shared experiences, blending functionality with warmth and visual drama. Accommodations are distributed across four distinct residences, including a main house with four bedrooms and two full and two half bathrooms, complemented by three additional cottages, each offering two bedrooms with two full bathrooms. Each bedroom is appointed with luxury linens and thoughtfully styled interiors, creating intimate retreats within the larger estate. Amenities span the property, offering a fully serviced stay defined by comfort, privacy, and creative design.

Outdoors, Stable Road unfolds across manicured lawns, mature trees, and direct beach access overlooking the turquoise waters of the North Shore. Ocean views frame gathering spaces, shaded seating areas, and open lawns ideal for relaxation and recreation. Located at the birthplace of kitesurfing and still regarded as the world's premier wind sports destination, the estate evokes an effortless sense of freedom, artistry, and deep connection to Hawaii's elemental landscape. A newly introduced padel court and dedicated kids club elevate the estate's lifestyle offering, creating a vibrant hub for recreation and family experiences. The professional padel court provides an energizing setting for friendly matches framed by tropical surroundings, while the thoughtfully designed kids club offers a curated environment for younger guests with engaging activities and playful spaces.

MAUI

NORTH SHORE

The town of Lahaina may have served as a 19th-century whaling port, but modern Maui operates as something altogether more refined. The second-largest island of Maui has a unique position among Pacific destinations, combining five-star infrastructure with landscapes of staggering variety. Two central volcanoes divide the island into distinct microclimates of dry, sun-drenched western and southern coasts giving way to lush rainforests and cascading waterfalls along the eastern shore. The result is an island where a single day might begin with dawn above the clouds at 10,000 feet and conclude with a sunset cocktail on a stretch of crushed volcanic sand.
