Villa Kamryn is a beautiful waterfront estate in a prime location that provides both privacy and access to South Maui's Polo Beach. This unique beachfront estate is ideally situated for both privacy and beach activities. With direct access to a sandy, shallow entry swimming beach on one side and a lava rock beach on the other side, this home defines the best of Maui. Within walking distance down the beach or walkway are hotel restaurants and shops, or take a 5-minute drive for the best of South Maui's shopping and top restaurants at the Shops at Wailea.

This beautiful home features four equally-beautiful homes, all en-suite with bathrooms, all of which are located on the upper floor. The entire interior is furnished with gorgeous furniture that is designed to give off that striking balance between comfort and luxury. The choice of color palette adds a sense of tranquility to the overall ambiance. The huge open concept family room/kitchen area has magnificent vaulted ceilings and floor to ceiling glass windows that slide open for bringing the tropical ocean breeze and view inside this Maui beach house. Warm wood detailing and breezy ceiling fans decorate the high ceilings throughout this ho,e and keep the beach home feeling tropical and luxurious. Antique Asian decoration throughout the home is tasteful and modern without feeling fussy or overdone. You'll find yourself actually enjoying food prep as you use the ample solid surface counter space in the open kitchen with stainless steel appliances.

Sunrise and sunset are great times to look for resident green sea turtles that commonly make an appearance as they forage the waters directly in front of this oceanfront property. Outdoor amenities include heated plunge pool/Jacuzzi, alfresco shower, alfresco dining area and a gas grill. Guests can rent kayaks, stand up paddleboards, boogie boards, and snorkel gear at the opposite end of the beach, or take a short drive to the many golf courses nearby including the Wailea Blue Course, the Gold Course or the Makena Course.

WAILEA

The town of Lahaina may have served as a 19th-century whaling port, but modern Maui operates as something altogether more refined. The second-largest island of Maui has a unique position among Pacific destinations, combining five-star infrastructure with landscapes of staggering variety. Two central volcanoes divide the island into distinct microclimates of dry, sun-drenched western and southern coasts giving way to lush rainforests and cascading waterfalls along the eastern shore. The result is an island where a single day might begin with dawn above the clouds at 10,000 feet and conclude with a sunset cocktail on a stretch of crushed volcanic sand.
