TAGOMAGO ISLAND

TAGOMAGO, MEDITERRANEAN ISLANDS

Tagomago Island is an extraordinary private island retreat, a secluded Mediterranean estate set within the Balearic Islands just off the northeast coast of Ibiza. Surrounded by crystal-clear waters, dramatic coastline, and protected natural landscapes, the island offers uninterrupted privacy and panoramic sea views. Fully reimagined for a refined, experience-led lifestyle, it presents a rare opportunity to inhabit an entirely private world defined by discretion, natural beauty, and curated living.

The interiors of the main villa feature a sophisticated open-plan design, with expansive windows, natural light, and seamless indoor-outdoor flow that create a serene, elevated atmosphere. High ceilings and generous proportions define the principal living space, complemented by oversized sofas, a fireplace, and a projector screen, all opening directly onto panoramic terraces. The dining area is thoughtfully positioned to capture views toward Ibiza, enhancing every gathering with a sense of place. A professional chef's kitchen, supported by a separate butler's pantry, ensures both functionality and refined culinary service. The property features five spacious bedroom suites accommodating up to ten guests, each with an ensuite bathroom and integrated sound system, designed with privacy, light, and calm in mind. A striking architectural tower connects to an expansive rooftop terrace offering 360-degree sea views. Additional amenities include multiple terraces and wellness areas.

Outdoors, the island unfolds across approximately 6,458,346 square feet of protected terrain, where pine forests, rugged cliffs, and hidden coves define the landscape. An 59 feet swimming pool overlooks the sea, while shaded lounges, dining areas, and pathways invite both social moments and quiet solitude. The surrounding marine environment offers snorkeling, paddleboarding, and coastal exploration, while guided walks and nature immersion deepen the connection to the land. The setting evokes a profound sense of freedom, privacy, and immersion at the edge of the Mediterranean.
