Chalet Eastwood is a luxury alpine retreat nestled in the exclusive Princesse area of Megeve. Set within a quiet, pristine enclave, the chalet is built with warm wood elements and expansive terraces that open toward dramatic alpine vistas. Combining the charm of traditional Savoyard style with contemporary refinement, it is a haven of quiet sophistication in one of the most sought-after destinations in the French Alps.

The interiors of Chalet Eastwood strike a balance between rustic elegance and modern comfort. Timber-lined walls and soft neutral palettes complement bespoke furnishings and curated natural elements throughout. The living room features a cozy fireplace, plush seating, and panoramic windows that draw in mountain light. A sleek open kitchen, fully fitted with premium appliances, flows into a stylish dining space ideal for intimate meals. The chalet accommodates up to 12 guests across five thoughtfully designed bedrooms. Each bedroom is ensuite, including a whimsical children's room with bunk beds. All rooms are appointed with deluxe linens, private terraces or balconies, and modern amenities, including TVs and spacious wardrobes. Additional comforts include a ski room, laundry facilities, and a garage. High-speed WiFi, curated bathroom products, mid-stay cleaning, and a welcome basket with Champagne enhance the guest experience.

Surrounded by majestic alpine scenery, the chalet's exteriors feature generous terraces, outdoor furniture, and direct access to the invigorating slopes of Megeve.
