PENTHOUSE PARAMOUNT ONE

DOWNTOWN, MIAMI

Penthouse Paramount One is an astounding suite belonging to the famed Paramount Miami Worldcenter. This wondrous glass structure is an icon of the skyline commanding unforgettable vistas over Miami Beach and the Atlantic. Vertiginous height matches exquisite decor conceived by internationally acclaimed designer Adriana Hoyos.

Crisp white interiors, endless floor-to-ceiling windows, and intuitive, free-flowing interiors immerse guests in a world of unfettered cosmopolitan sophistication. A gorgeous layout fuses mid-century and postmodern influences, garnished with exquisite chaise lounges and sculptural seating. Marble slab accents, backlit mirrors, and attractive wood accents impart an exceptional artistic character to the space. Seamless open plan living between the sitting, kitchen, and dining room is wrapped in floor-to-ceiling windows, supplanting an insatiable sense of freedom. Bold and glamorous interiors give way to the state-of-the-art kitchen replete with a shimmering mirror backsplash and polished countertops, refracting the home's ample sunlight. The dining table seats six people, advantageously positioned between the bar and the outdoor patio for great gastronomic experiences. Each of the property's four ensuite bedrooms is thematically unified, with gorgeous grey and white palettes giving way to spellbinding urban panoramas. Penthouse Paramount One flaunts over 2,500 sqft of terrace space for entertainment.

The high-rise itself features an extraordinary array of action-packed amenities, including the country's first outdoor soccer field in a high-rise residential development. Two tennis courts, multiple resort-style pools, lush parks, spa baths, and a tai chi deck ensure guests the ultimate Miami high-life experience.
