VILLA ARIA

VENETIAN ISLANDS, MIAMI

Villa Aria presents the ultimate contemporary waterfront living on Miami's coveted Venetian Islands. Equal distances from Miami Beach and the downtown core, this Di Lido Island property is a stunning industrial-chic estate with a coveted western-facing private dock overlooking spectacular sunsets over the cityscape.

Pushing the limits of glamorous residential living, Villa Aria abounds with a cosmopolitan industrial-chic look, the two-story, 5662 sq. ft, featuring five sumptuous bedrooms. Sleek and spacious, the home is embraced by enormous floor-to-ceiling windows, embracing lush tropical greenery and the sea views from the back property. The open-concept living space exudes urban sophistication, with glimmering Listone Giordano oak floors complimented with unique custom hexagonal chandeliers. Retractable glass walls open up the backyard property, blurring the distinction between indoor and outdoor living. Relaxed sophistication and elegance define the white marbled kitchen finished with state-of-the-art Boffi appliances. Clad with enormous windows, the interiors feel animated and dynamic. Striking vertices, steel accents, and glass create an uncanny vibrancy, omnidirectionally refracting the sun's rays. A luxe bath and oversized master suite with commanding panorama views speak to the home's prestige.

The Boffi Summer kitchen promises fantastic alfresco dining moments with friends before the glorious colors of dusk. A heated saltwater pool with a jacuzzi is flanked by alluring lounge chairs, beckoning a healthy holiday tan. Enclosed by lush foliage, guests may be assured of privacy and discretion, while the home's private water frontage and IPE dock leave nautical adventure on the cards.
