VILLA BETHANY

LA GORCE, MIAMI

Villa Bethany is a spectacular Mediterranean estate belonging to Miami Beach's prestigious North Bay Road. This residence takes full advantage of immaculate Atlantic and Miami skyline views, the floorplan astutely channeling the sights into nearly every room of the property.

The residence revels in old-world elegance, the dazzling living room presenting a delectable combination of pristine white and warm wood tones. Exquisite coffered ceilings meld seamlessly with fine crown molding and traditional wood paneling. An elaborately friezed renaissance-style fireplace acts as the living room's focal point, effortlessly toeing the line between European classicism and contemporary flair. Arched doorways lead the way through the light-filled interiors. An exemplary formal dining room abounding in aristocratic elegance features a fireplace with far-reaching sea views. A fully equipped kitchen beckons gastronomic exploration, while an additional office presents a secluded haven for guests with work obligations. Villa Bethany features five regal bedrooms accomodating ten to the utmost comfort and discretion.

The outdoors presents the paragon of privacy and relaxation, equipped with a serene loggia embracing the focal courtyard pool. Whimsical arches and Neo-palladian friezing define the zen garden, brimming with covered seating arrangements. There is an additional pool by the private dock fit for yachts up to 75 feet in length, rounding off an outstanding Miami luxury home rental.
