VILLA CASTELLINA

VENETIAN ISLANDS, MIAMI

Villa Castellina is a stunning luxury waterfront masterpiece situated in the heart of Miami Beach. Completed in October 2016, this brand-new architectural gem, designed by the renowned SAOTA, stands as a testament to luxury, innovation, and an unparalleled connection to its stunning surroundings. The luxury vacation home spills out onto the longer waterfront elevation and draws on the jet-set lifestyle of Biscayne Bay to evoke the experience of being on the deck of a superyacht.

An intricate dance of water elements weaves throughout the residence, mirroring the lush seascape. The central void is animated with deliberately sculptural elements and artworks – including a bold spiral staircase and a series of bronze screens that hang from the ceiling to create a double-height dining area and separate kitchen and family space from the more formal entertainment areas to the East. This opulent villa boasts an impressive layout featuring five main bedrooms, each adorned with luxurious California king beds. The upper bedroom level is graced by the magnificent sea-facing master suite, which offers indulgence at its finest with a hot tub and a private pool. Additionally, three other suites are strategically positioned to offer breathtaking waterfront views, creating a sense of serenity and luxury. The villa features a gym where the guests can maintain their workout routine that can be converted into the sixth bedroom. A staff bedroom provides additional accommodation if needed. From a serene pond at the entrance to a tranquil reflection pool encircling the study, water connects the indoors and outdoors seamlessly.

The covered external living areas flow onto a spacious deck with a resort-like choice of covered lounging areas, deckchairs for sunbathing, a fully functional bar area, and even a pop-up outdoor table on the water edge for the ultimate on-water dining experience. With two mooring docks, the flow between land and sea is seamless and fluid while meeting all flood line requirements.
