## VILLA CORRA

VENETIAN ISLANDS, MIAMI

Villa Corra is a dazzling glass structure poised before spectacular ocean views. Chic and glamorous, this waterfront estate sets a benchmark for indoor-outdoor luxury living, idyllically perched five minutes from the famed sands of Miami Beach and within fifteen minutes of the airport, allowing guests to jumpstart their luxury getaways immediately upon arrival.

Navigating through this estate is akin to navigating a fine crystal, with daily light refracted stunningly across the pristine white interiors. Verdant tropical foliage and radiant sunlight animate gorgeous Calacatta marble floors and a host of stunning modernist pieces. Chic decor elements add a delectable verve and color to the interiors. Regal dimensions, soaring ceilings, and endless tinted floor-to-ceiling windows imbue each corner of the home with the prestige of a fine art gallery. An inventive open-concept floor plan channels activity through a stunning great room smattered with decor toeing the line between post-modern chic and new age exoticism. The Miami skyline comes alive in the seating and dining areas, its stark silhouette coming to full expression with the sun's setting. Modern and fully automated, Villa Corra features a state-of-the-art gourmet kitchen, private elevator, Creston system with speakers, top-notch security, and impact windows and doors. Six sumptuous master suites and guest bedrooms are outfitted with lavish ensuite baths, accomodating fourteen guests in utmost comfort, discretion, and elegance.

Taking full advantage of its coveted positioning, this home spoils with its ample outdoor spaces. Soak in mesmerizing views from the height of the wrap-around rooftop terrace, private balconies, floating deck, or pool deck. A heated infinity-edge swimming pool, expansive lounge area, and large pipewood dock leave no intermediary between guests and the Atlantic expanse.
