## VILLA IRENE

STAR, PALM AND HIBISCUS ISLANDS, MIAMI

Villa Irene is a regal Mediterranean manor seemingly plucked from the Tuscan seaside, flaunting resort-style grounds and a stunning loggia. Poised on the prestigious Palm Island, Villa Irene presents the epitome of tropical luxury, enviably close to Miami's main sites and the airport for maximum convenience.

Stately interiors dazzle in late 19th-century elegance, off-yellow plaster walls, gorgeous friezing, and gorgeously refurbished antique furnishings imparting old-world classicism. A lovely seating room is flanked by a wall of french windows presenting rich mahogany detailing and dainty curtains refracting the Miami sunlight across a shimmering grand piano and sumptuous European seating arrangements. Steeped in the aristocratic grace of a bygone era, enter a palatial dining room fitted with a full-sized crystal chandelier and ten-seat round table exhibiting the finest millwork and parquetry. This estate boasts seven ultra-luxurious bedrooms. Each presents a unique flavor of aristocratic pomp. One master bedroom exudes decor harkening to the Moorish dynasty, while another channels the spirit of Imperial Japan. The main master has a walk-through dressing room and an enormous bathroom featuring an open-sided shower. Top-notch amenities include a private bar, theater, gymnasium, piano, beautiful living areas, and an alluring chef's kitchen.

Astounding outdoors entail a private dock, floating dock, and dining terrace with bar. Presenting outstanding entertainment options, a BBQ grill, and an enormous 130-foot heated walk-in pool with a Jacuzzi will capture guests' imaginations. An additional swim-in grotto and waterfall are some of the property's exceptional features. This Miami luxury vacation rental is undoubtedly head and shoulders above the rest.
