VILLA JOLIE

STAR, PALM AND HIBISCUS ISLANDS, MIAMI

Villa Jolie is an awe-inspiring waterfront oasis on the prestigious Star Island. This sleek contemporary residence brims with quintessential Miami glitz and glamor as part of the city's most historic preservation and new home projects. Embraced by lush tropical foliage with direct access to the technicolor waters of Biscayne Bay, this serene residence beckons nautical adventure.

Aesthetically immaculate interiors emphasize linear dimension with a confident minimalist design, lauded for its modularity. Floor-to-ceiling windows embrace expansive, free-flowing spaces while a neutral palette of light wood and grey refracts the sun's rays beautifully. In contrast to the rest of the estate lies the astounding great room brimming with electrifying high-fashion glamor. A bold palette of gold and saturated teal dominates the rectangular space flanked by ample French windows and retro-chic and haute couture furnishings brimming with timeless art deco class. Scintillating sculptural chandeliers take center stage before fantastic gathering areas replete with chic terrazzo sofas and bold design elements. A spellbinding gourmet kitchen flaunts exquisitely backlit onyx countertops and backsplashes with Giulio appliances. Nine fantastic ensuite bedrooms accommodate up to 18 guests in unmatched luxury, rounding off some of the region's most coveted luxury rentals. A vision of unadulterated Miami luxury manifested, the estate boasts a commercial elevator and Creston electronics automation for a customizable stay. A haven of wellness and rejuvenation, this home includes steam, a sauna, a massage room, and an oversized gym.

Spectacular outdoor ideas are perfected for all-day and all-night recreation. A focal swimming pool offers the ultimate respite from the midday heat while ample sunloungers curate an ambiance of stylish indulgence on par with the most exclusive beach clubs.
