VILLA NIANA

UPPER EAST SIDE, MIAMI

Villa Niana is a palatial Mediterranean-styled waterfront mansion steeped in quintessential Miami glamor. This lush property, embraced by towering palms, extends to glorious water frontage and a private dock beckoning lavish nautical adventure.

Gorgeous interiors fuse Imperial stature with contemporary minimalism inflected with coastal prestige. Exotic, classy, and sophisticated, guests are greeted by a majestic two-story foyer, a spiral staircase flaunting artfully wrought iron railings, while colorful Iberian ceramics grace each step. Warm terracotta tiling runs throughout the pristine white common areas between regal dangling chandeliers, and clerestory windows, emphasizing an exquisite sense of vertical space. A custom estate through and through, it is clear this Villa is the work of exceptional craftsmanship and artisanal detailing. In true Miami fashion, this lavish trophy home is ideally suited for nocturnal entertaining, replete with chic contemporary artwork and finished with pared-down elegance. Villa Niana offers over 8,000 sq. ft of prime living space, comprising eight sumptuous ensuites and two bedrooms in the separate guest cottage, assuring total lodging comfort and versatility. An open gourmet kitchen sets forth a living philosophy where gastronomic indulgence is sacrosanct. A culinary exploratorium fit for the foremost culinary master awaits, offering a fantastic entertainment space complete with a tremendous checkered wood central island and a lovely bar counter.

Villa Niana boasts a lovely pool courtyard embracing an exceptional travertine deck and arched veranda. Alluring sunbeds embrace the swimming pool and Jacuzzi, while a summer kitchen and cabana with cozy furniture are ideally suited for all-day recreation.
