VILLA VLADA

UPPER EAST SIDE, MIAMI

Villa Vlada is a magnificent contemporary residence brimming with quintessential Miami prestige and glamor. This secluded tropical oasis offers a fantastic jumping point for discovering the bustle of the downtown core and the neon exuberance of Miami Beach. Coveted positioning along a quiet cul-de-sac assures total discretion and serenity before shimmering Biscayne Bay vistas.

Vast and striking exteriors are delivered from the sketch boards of the world-renowned TOGU architecture firm, providing a fantastic vision of waterfront opulence. Sleek lines and crisp vertices sculpt majestic interiors fusing minimalist elegance, gargantuan dimension, and an ultra-chic contemporary design. Villa Vlada captures a palatial sense of space across a modular and intuitive floorplan replicating the prestige of the world's foremost fine art galleries. A master of impressions, the spectacular double-story glass foyer is flanked with immense slatted wall accents, while artistic bulb lighting enhances the vertical dimension. Floor-to-ceiling glass walls flood the desirable free-flowing common areas in serene garden colors, the generous Miami light imparting an ethereal midday glow to the lustrous and airy luxury vacation rental. An architectural masterwork through and through, Villa Vlada delivers over 6000 sq. ft of elite living space across two dashing stories. Seven sumptuous ensuite bedrooms are configured for total guest comfort, discretion, and autonomy. Immersive Biscayne Bat vistas immerse guests in the comfort of a front-page-ready master suite.

A streamlined and glamorous pool deck extends to a private stretch of water frontage garnished with a private dock. Ample glass-railed balconies offer no shortage of great lounge spaces for soaking in the sights or the sun. Cruise the Bay with style, with Villa Vlada pairing best with an impromptu yachting adventure.
