VILLA ELEONORA

ROQUEBRUNE-CAP-MARTIN, MONACO

Villa Eleonora is an architectural masterwork brimming with original Belle Epoque grandeur. This sublime historical manor dated back to 1904 and was constructed by Hans Georg Tersling, one of the Riviera's most prominent architects responsible for Monte Carlo's iconic Hotel Metropole. Straddling Cap Martin's most enchanting coastlines, Villa Eleonora matches the pinnacle of elegance with awe-inspiring sea views. Spanning multiple detached Villas, Eleonora comprises a primary residence, secondary residence, and guest lodge.

Symmetrical and sublime, Villa Eleonora offers over 12,000 sq. ft of unadulterated opulence in the main villa. A spectacular facade boasts timeless Belle Epoque features with semi-circular colonnaded loggias inspired directly by the Italian Renaissance and French styles. A focal double-story foyer dazzles with aristocratic grandeur, with each square inch of the space witness to the most exquisite marble, onyx, and granite finishes. Original Chiaroscuro and Romanticist paintings adorn stately halls replete with neo-palladian paneling, stunning precious stone inlays, timelessly elegant brocade chairs, and dynastic vases. The Villa is ready to accommodate up to 27 guests in 13 double bedrooms and one single across three immaculate buildings. The spellbinding primary residence offers seven sumptuous bedrooms allowing guests to revel in the refinement and prestige of a bygone era. A fantastically autonomous VIP lodge occupies the east side of the courtyard, offering enthralling Louis XVI-styled accommodation for a lucky couple. The secondary modern Provencal Villa teems with modern comforts measuring nearly 7000 sq. ft and features six lavish ensuite bedrooms with an additional bedroom for staff. Villa Eleonora's secondary estate flaunts dreamy interiors updated to contemporary standards, with a chic nautical character and exceptionally classy interiors.

Stunning resort-style exteriors present a veritable garden of Eden. A focal infinity pool measures 82 X 39 feet with spectacular views over Monaco and the lush manicured lawns. The Villa features a basketball court that can be converted into tennis court as well. A regal pool house is lined with mosaic tiles, while the secondary Villa additionally benefits from a private pool across the expansive eight-acre property. The sumptuous gardens are perfectly maintained and lined with fragrant native species, including olive, fruit, palm, mimosa, and pine trees, with plenty of flower beds.
