ATARAXIA ESTATE

PARADISE BEACH, MYKONOS

Ataraxia Estate is a spellbinding residence perfected in the art of Hellenic luxury living. Gorgeously embedded in the austere beauty of the Mykonian coast, this luxury Villa delivers breathtaking beach panoramas above Paradise Beach. Occupying one of the most spectacular stretches of the island and just a short drive from the shore, guests will revel at the shore's thin gold sand and crystal clear blue-azure waters.

Aesthetically immaculate interiors bring the height of cosmopolitan elegance to the heart of the Aegean. A sleek, pared-down vision of contemporary Hellenic opulence comes alive across this estate's gorgeous spaces, not limited to a subaquatic cocktail bar and lounge area. Sleek lines, shimmering precious stone surfaces, and ultra plush designer furnishings make up glorious open concept spaces lined with oversized windows. Gleaming Calacatta marble navigates through haute couture common areas fusing seaswept glamor with post-modern artistry. LED underscored tray ceilings curate a fantastic nocturnal ambiance bringing lavish dining affairs and evening cocktails to vertiginous heights. The gorgeous chef's kitchen features a modular configuration allowing for more intimate cooking or lavish gastronomic affairs. Seven sumptuous bedrooms accommodate guests in total comfort, flaunting deluxe bedding, premium toiletries, and lavish spa-inspired ensuites, including a serene guest house suite with direct access to a private jetted heated pool for the ultimate indulgence in seclusion. A state-of-the-art gym ensures wellness is never an afterthought, blending high-performance equipment with inspiring sea views.

A diverse variety of local flora has been inventively composed in the extended gardens to blend in with the stunning natural environs. A glamorous infinity pool with reverse swimming facility, embraced by alluring sun loungers and boasting panoramic vistas, takes center stage, intoxicating guests into the indulgent pace of island living. Adjacent to the pool, an open-air fitness area allows for invigorating workouts under the Mykonian sun. Plentiful shaded and unshaded deck spaces are ideal for soaking in the sights or the sun’s rays, while a world of recreation and relaxation is offered with an on-site half basketball court, and the expansive pool terrace designed for serene afternoons or lively gatherings. This exceptional sea-view villa belongs to the highest tier of Mykonian luxury property.
