BLUE JEWEL ESTATE

KALO LIVADI, MYKONOS

Villa Connie is an astounding complex, walking distance from Mykonos' most prestigious shorelines. The glorious sands Kalo Livadi are a three-minute promenade from this sprawling luxury estate spanning an impressive 21,627 sq. ft. Merging traditional breezy island architecture with heaping doses of high-end sophistication, each square inch of the estate is immaculately conceived for style and function.

Between 34 spacious bedrooms equipped with private ensuite bathrooms, the utmost privacy and comfort are assured for up to 68 guests. With nearly an acre of terrain, stunning sea views are incorporated into a glorious interior space. Pristine white, beige, and grey accents create a luxurious and airy ambiance, while exposed beams and stone accent walls impart a sophisticated rusticism. Arched doorways and rounded edge interiors create a homey environment, modern accents blending with classic decor elements, with clay vases harkening to antiquity. Each suite is immaculate in timeless elegance, monochrome color palette, and minimal decor, creating indoor spaces of aesthetic perfection. The complex boasts three large gyms and spa areas, creating a haven for recreation and relaxation.

The complex's private residences all convene around the glorious outdoors. An ultimate congregation space, the grand shaded living room pushes the limits of indoor and outdoor living, sitting 40 guests, the open space ideal for banquets, live music, and more. With over 10,000 sq. ft of shaded outdoor pergola space, there are endless vantage points to take in unobstructed views of the Aegean. Multiple outdoor jacuzzis and a glorious infinity pool stretching out to the horizon will have guests experiencing Mykonos in the lap of luxury.

- Water View

MYKONOS

KALO LIVADI

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
