PARADISE TWO VILLA

PARADISE BEACH, MYKONOS

Paradise Two Villa is a serene luxury estate occupying coveted positioning in the Southern part of Mykonos, overlooking the islands of Paros and Naxos. Far-reaching Aegean views dominate from the serenity of a private bay. Within walking distance of some of the Mykonos' most magical coastlines, Paradise and Paraga Beach, Paradise Two Villa facilitates a comprehensive Greek Island luxury experience.

Cycladic romanticism merges beautifully with contemporary minimalist sensibilities in the Villa's timelessly elegant interiors. Serene white-washed walls, rounded edge interiors, and exposed beam ceilings curate spaces of impeccable airiness and buoyancy. Beige and white modern furnishings enhance an ambiance of utter relaxation, while rattan and woven wood accents impart an organic sensuality to the space. Chic and sophisticated with an intuitive floorplan and pared-down, uncluttered character, Paradise Two Villa is a masterclass in understated luxury and class. The home flows between a gorgeously designed living, dining room, and fully equipped kitchen. This coastal estate offers eight lovely ensuites accommodating sixteen guests in utmost comfort, style, and discretion. Additional amenities include air-conditioning, satellite plasma televisions, state-of-the-art internet connectivity, and safes for maximum guest convenience.

Dreamy traditional stone retaining walls enclose an exceptionally landscaped lot offering plenty of private nooks and wide-open spaces. Lush foliage incorporates the rocky topography with an infinity pool and mini pool, well-outfitted for traveling families. The spacious outdoor facilities provide an enchanting venue for intimate or lavish celebrations from birthdays, weddings, and more.

MYKONOS

PARADISE BEACH

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
