ROCKY ESTATE

AGRARI, MYKONOS

Rocky Estate is a glorious seaside estate embedded beautifully into the windswept rocky terrain. Lavish and exclusive, this traditional residence straddles a hillside with claiming over an acre of enchanting Island terrain. A mere two miles from downtown Chora, Rocky Estate offers a comprehensive Greek Island luxury experience, overlooking the celebrated southern beaches of Elia, Agrari, and Super Paradise.

Split across two floors, this luxury retreat offers ten sumptuous bedrooms perfected in the art of minimalism and understated luxury. The interior of the home presents a charming combination of modern minimalist design with a subtle beach house inflection. Radiant light-filled interiors present the epitome of urban chic elegance, flaunting a high contrast palette of black and grey on white. LED underscored tray ceilings, built-in alcoves, and sleek vertices speak to the home's distinct metropolitan character. A fully equipped open plan kitchen outfitted with glossy, streamlined cabinetry and a slate backsplash flaunts top-of-the-line appliances. An intuitive, free-flowing layout supports spontaneity and entertainment, with the plush seating arrangements, formal dining, and kitchen space melding seamlessly together. Each of the ten ensuites boasts private veranda access, offering guests the utmost discretion and comfort while maximizing interaction with the glorious outdoors.

Exteriors present a stunning free-form infinity swimming pool measuring nearly 1000 sq. ft. This focal area is embraced by a large wooden shaded pergola, offering ample deck space for lounging, socializing, and sun-soaking. An outdoor grill and alfresco dining area are ideally suited for picture-perfect sunsets. A car enthusiast's dream, this lavish Greek Island estate flaunts parking for up to twenty vehicles.
